

Paralympics Survey

ONLINE Fieldwork : 24th-27th August 2012

Absolutes/col percents

Table 1
Q.1 To what extent do you agree or disagree with each of the following statements?

Summary

Base: All respondents

| | Statements | | | | | | | |
|-----------------------|--|---|--|--|--|--|---|--|
| | a) I think that the forthcoming Paralympic Games will make me more likely to give to charities that help disabled people | b) The Paralympic Games are making me feel more positive about the role of people with disabilities in UK society | c) In the past 12 months, I have donated money to charities that work to support disabled people in the UK | d) It is important to donate to charities that work to support disabled people in the UK | e) The UK media should do more to promote people with disabilities as role models in society | f) With the exception of the Paralympic Games, disabled people are not generally visible in the UK media | g) Disabled people often experience prejudice or discrimination in UK society | h) The British Government does enough to support disabled people in the UK |
