

Tidal Lagoon Power – MPs Panel Polling

METHODOLOGY NOTE

ComRes interviewed 150 MPs by online and paper survey between 25th February and 6th April 2016. Data were weighted by party and region to be representative of the whole House of Commons. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock: katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

February 2016 MPs Parliamentary Panel Survey

Q1. In November 2015, the UK government announced its aim of a low carbon UK energy system based on offshore wind, nuclear and gas. Which of the following, if any, do you think could credibly be integrated into this energy system?

Base: All respondents
