

LONDON INSTITUTE OF EDUCATION / EQUITY SCHOOL TRIPS SURVEY

Methodology: ComRes interviewed 2,026 British adults online between the 15th and 16th March 2017. Data were weighted by age, gender, region and socio-economic grade to be representative of all GB adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

For information about commissioning research please contact simon.carter@comresglobal.com or call +44 (0)20 7871 8660.

Table 1

Q.1 To what extent, if at all, do you agree or disagree with the following statements?

Summary

Base: All respondents

	Statements					
	Young people today understand the historical importance of the First World War	Adults today understand the historical importance of the First World War	All school children in the UK should have access to educational school trips	Educational school trips can help to bring classroom learning to life	It is important for teachers to have opportunities for professional development (e.g. external training) outside the classroom	Learning online (e.g. via computers and other forms of technology) is more important for pupils' development than attending educational school trips
