

Diabetes UK Covid Public Polling - 24th June 2020

Methodology: Savanta ComRes surveyed 2108 UK adults between 12th June and 15th June 2020. Data were weighted to be nationally representative of UK adults by age, gender, and region and social grade. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660

QCDUKQ1. Summary: To what extent do you trust or distrust each of the following?	1
BASE: All respondents	
QCDUKQ1_1. The government to keep me safe at work during the Covid-19 (Coronavirus) pandemic: To what extent do you trust or distrust each of the following?	2
BASE: All respondents employed prior to March 2020	
QCDUKQ1_2. My employer to keep me safe at work during the Covid-19 (Coronavirus) pandemic: To what extent do you trust or distrust each of the following?	4
BASE: All respondents employed prior to March 2020	
QCDUKQ1_3. Employers in general to keep all of their employees safe at work during the Covid-19 (Coronavirus) pandemic: To what extent do you trust or distrust each of the following?	6
BASE: All respondents	
QCDUKQ1_4. Employers in general to keep all of their clinically vulnerable employees safe at work during the Covid-19 (Coronavirus) pandemic: To what extent do you trust or distrust each of the following?	8
BASE: All respondents	
QCDUKQ2. Summary: To what extent do you feel comfortable or uncomfortable with each of the following?	10
BASE: All respondents	
QCDUKQ2_1. Friends and family going to work in workplaces where social distancing is possible: To what extent do you feel comfortable or uncomfortable with each of the following?	11
BASE: All respondents	
QCDUKQ2_2. Friends and family going to work in workplaces where social distancing is not possible: To what extent do you feel comfortable or uncomfortable with each of the following?	13
BASE: All respondents	
QCDUKQ3. People with diabetes makes up 26% of UK coronavirus deaths. To what extent would you feel comfortable or uncomfortable with someone who has diabetes going out to work in workplaces where social distancing is not possible?	15
BASE: All respondents	
QCDUKQ4. Summary: To what extent do you agree or disagree with each of the following statements?	17
BASE: All respondents	
QCDUKQ4_1. People with underlying health conditions should be able to work in a workplace where they can practice social distancing: To what extent do you agree or disagree with each of the following statements?	18
BASE: All respondents	
QCDUKQ4_2. People who are not able to work in an office safely because of an underlying health condition should not lose out financially: To what extent do you agree or disagree with each of the following statements?	20
BASE: All respondents	
QCDUKQ4_3. Governments in the UK need to be doing more to ensure people with underlying health conditions are kept safe at work during the Covid-19 (Coronavirus) pandemic: To what extent do you agree or disagree with each of the following statements?	22
BASE: All respondents	
QCDUKQ4_4. Governments in the UK need to do more to protect BAME (Black, Asian and Minority Ethnic) people from the Covid-19 (Coronavirus) pandemic: To what extent do you agree or disagree with each of the following statements?	24
BASE: All respondents	
QCDUKQ4_5. Governments in the UK have been effective in protecting vulnerable people from Covid-19: To what extent do you agree or disagree with each of the following statements?	26
BASE: All respondents
