

Disability Commission, Public Questions – April 2020

Methodology: Savanta ComRes interviewed 2,101 UK adults aged 18+ online from the 24th to 27th April 2020. Data were weighted to be demographically representative of the UK population. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact info@comresglobal.com or call +44 (0)20 7871 8660

Q1. Do you have a physical or mental impairment, such as a long-term health condition, which has a substantial and long-term negative effect on your ability to do normal day-to-day activities?	1
BASE: All respondents	
Q2. Do you consider yourself to be disabled?	4
BASE: All respondents	
Q3. Which one of the political parties do you think cares most about supporting disabled people to live their lives fully and as they want to?	7
BASE: All respondents	
Q4. Summary: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	10
BASE: All respondents	
Q4. Ranked top 3 summary: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	11
BASE: All respondents	
Q4_1. Accessible public transport: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	14
BASE: All respondents	
Q4_2. Accessible housing: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	17
BASE: All respondents	
Q4_3. Equal opportunities in education: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	20
BASE: All respondents	
Q4_4. Equal opportunities at work to develop their skills and career on the basis of talent: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	23
BASE: All respondents	
Q4_5. Strong government policies on disability: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	26
BASE: All respondents	
Q4_6. The attitude of non-disabled people towards disabled people: Which of the following do you think are the biggest enablers for disabled people being able to live their lives fully and as they want to?	29
BASE: All respondents	
Q5. Which, if any, of the following do you personally know? If you are disabled yourself, please exclude yourself from your consideration	32
BASE: All respondents	
Q6. To the best of your knowledge, what do you think is the total spending power of households with at least one disabled person in them? By spending power of households, we mean the total amount of money people in each household have to spend on products and services. If you are unsure, please try to take an educated guess.	35
BASE: All respondents	
Q7. Summary: In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	38
BASE: All respondents	
Q7_1. Non-disabled people's attitudes towards disabled people: In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	39
BASE: All respondents	
Q7_2. Disabled customers' access to products and services (e.g. in shops, online, via transport providers etc): In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	42
BASE: All respondents	
Q7_3. Employers' treatment of disabled people in day to day work: In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	45
BASE: All respondents	
Q7_4. Equal opportunities at work for disabled people to develop their skills and progress their careers: In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	48
BASE: All respondents	
Q7_5. Equal opportunities in education for disabled people to realise their potential and gain qualifications: In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	51
BASE: All respondents	
Q7_6. Access to public transport for disabled people to travel to work and for leisure: In the 25 years since the UK's first comprehensive anti-disability discrimination law was passed, to what extent have each of the following gotten better or worse?	54
BASE: All respondents	
Q8. Summary: Prime Minister Boris Johnson has announced plans to 'level up' and promote equality of opportunity across the UK. He has committed to publishing a National Disability Strategy to support this levelling up agenda. To what extent do you agree or disagree with the following	57
BASE: All respondents	

Page: ii
Table of Contents

Q8_1. How much it helps disabled people to live their lives fully and as they want will be a key test of whether the Prime Minister's levelling up agenda is more than just words: Prime Minister Boris Johnson has announced plans to 'level up' and promote equality of opportunity across the UK. He has committed to publishing a National Disability Strategy to support this levelling up agenda. To what extent do you agree or disagree with the following BASE: All respondents	58
Q8_2. The publication of a National Disability Strategy should remain a priority to support the Prime Minister's levelling up agenda once coronavirus lockdown restrictions have been eased: Prime Minister Boris Johnson has announced plans to 'level up' and promote equality of opportunity across the UK. He has committed to publishing a National Disability Strategy to support this levelling up agenda. To what extent do you agree or disagree with the following BASE: All respondents	61
Q9. Summary: For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	64
Q9_1. Non-disabled people's attitudes towards disabled people: For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	65
Q9_2. Disabled customers' access to products and services (e.g. in shops, online, via transport providers etc.): For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	68
Q9_3. Employers' treatment of disabled people in day to day work: For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	71
Q9_4. Equal opportunities at work for disabled people to develop their skills and progress their careers: For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	74
Q9_5. Equal opportunities in education for disabled people to realise their potential and gain qualifications: For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	77
Q9_6. Access to public transport for disabled people to travel to work and for leisure: For which areas, if any, do you think the Prime Minister's levelling up agenda is most important to ensuring that disabled people can live their lives fully and as they want to: Please rank up to the top 3, where 1 is most important and 3 the third most important. BASE: All respondents	80
Q10. How much do you think the financial wellbeing of someone with a disability is likely to be affected by a Coronavirus recession, compared to someone without a disability? BASE: All respondents	83
Q11. Do you think that the Government should use changes prompted by the coronavirus outbreak, such as working from home, to ensure businesses give people more choice in the future about where they work? BASE: All respondents	86
Q12. How important or not do you think it is to have clear, consistent and easy-to-compare information about what different businesses are doing to ensure that people can develop their skills and career on the basis of talent and regardless of gender, race, disability or sexual orientation? BASE: All respondents	89
Gender. How do you identify? BASE: All respondents	92
Age. How old are you? BASE: All respondents	95
Regions. Where do you live? BASE: All respondents	98
SEG BASE: All respondents	102
