Q1. Before taking part in this survey today, were you aware or not that wild animals such as elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles are used in some circuses in the European Union?	10
BASE: All respondents	
Q2. SUMMARY: To the best of your knowledge, how long ago did you last visit a circus in the European Union that may or may not have used wild animals, if at all? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	13
BASE: All respondents	
Q2.1. A circus in the EU that used wild animals: To the best of your knowledge, how long ago did you last visit a circus in the European Union that may or may not have used wild animals, if at all? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	14
BASE: All respondents	
Q2.2. A circus in the EU that did not use wild animals: To the best of your knowledge, how long ago did you last visit a circus in the European Union that may or may not have used wild animals, if at all? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	17
BASE: All respondents	
Q3. SUMMARY: To what extent, if at all, do you agree or disagree with the following statements?Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	20
BASE: All respondents	
Q3.1. The use of wild animals in circuses is outdated: To what extent, if at all, do you agree or disagree with the following statements?Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	21
BASE: All respondents	
Q3.2. It is unnecessary to use wild animals in circuses: To what extent, if at all, do you agree or disagree with the following statements?Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	24
BASE: All respondents	
Q3.3. The use of wild animals in circuses is cruel: To what extent, if at all, do you agree or disagree with the following statements?Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	27
BASE: All respondents	
Q3.4. Circuses with human performers are more enjoyable than ones that use wild animals: To what extent, if at all, do you agree or disagree with the following statements? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	30
BASE: All respondents	
Q3.5. Circuses would not be as enjoyable without wild animals: To what extent, if at all, do you agree or disagree with the following statements? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	33
BASE: All respondents	
Q3.6. Wild animals are a vital part of circuses: To what extent, if at all, do you agree or disagree with the following statements?Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	36
BASE: All respondents	
Q4. SUMMARY: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	39
BASE: All respondents	
Q4.1. The use of wild animals in circuses poses a risk to public safety and health: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	40
BASE: All respondents	
Q4.2. Showing wild animals performing tricks and being dominated by tamers does not have any educational value: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	43
BASE: All respondents	
Q4.3. Showing wild animals performing tricks and being dominated by tamers may have a negative psychological impact on children: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	46
BASE: All respondents	

Page: ii
Table of Contents

Q4.4. Working with wild animals stimulates their intelligence and it keeps them fit and agile: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	49
BASE: All respondents	
Q4.5. Circuses showing wild animals is educational: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	52
BASE: All respondents	
Q4.6. Using wild animals in circuses supports the conservation of the species: To what extent, if at all, do you agree or disagree with the following statements about the role of using wild animals in circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	55
BASE: All respondents	
Q5. SUMMARY: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	58
BASE: All respondents	
Q5.1. Wild animals should not be used for public entertainment: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	59
BASE: All respondents	
Q5.2. Wild animals have been used in circuses for decades and should continue that way: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	62
BASE: All respondents	
Q5.3. The use of wild animals in circuses has no place in modern society: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	65
BASE: All respondents	
Q5.4. Circuses that still use wild animals must reinvent themselves by developing high quality shows with human performers: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	68
BASE: All respondents	
Q5.5. I would prefer to visit circuses that have human performers instead of wild animals: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	71
BASE: All respondents	
Q5.6. It should be acceptable to use wild animals in circuses if they are treated well: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	74
BASE: All respondents	
Q5.7. Wild animals should not be bred and kept in captivity for the purpose of performing in circuses: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	77
BASE: All respondents	
Q6. SUMMARY: To what extent, if at all, do you agree or disagree with the following statements about the role of the European Union in this matter? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	80
BASE: All respondents	
Q6.1. The European Union should ban the use of all wild animals in circuses: To what extent, if at all, do you agree or disagree with the following statements about the role of the European Union in this matter? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	81
BASE: All respondents	
Q6.2. The European Union should be an international leader on animal welfare: To what extent, if at all, do you agree or disagree with the following statements about the role of the European Union in this matter? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	84
BASE: All respondents	
Q6.3. The European Union should guarantee that cruel uses of animals are not allowed: To what extent, if at all, do you agree or disagree with the following statements about the role of the European Union in this matter? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	87
BASE: All respondents	
Q6.4. The use of wild animals in circuses should be managed by the European Union because of the free movement of goods and services throughout Member States: To what extent, if at all, do you agree or disagree with the following statements about the role of the European Union in this matter? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.	90
BASE: All respondents	

Page: iii
Table of Contents

Q6.5. The European Union should ban the use of all animals in circuses, regardless of whether they are wild (such as elephants and lions) or domesticated (such as horses and dogs): To what extent, if at all, do you agree or disagree with the following statements about the role of the European Union in this matter? Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles. 93

Eurogroup for Animals: Circus Animals survey, Hungary

Q5.2. Wild animals have been used in circuses for decades and should continue that way: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses?

Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.

BASE: All respondents

		Last visit to a circus in the EU

Eurogroup for Animals: Circus Animals survey, Hungary

Q5.4. Circuses that still use wild animals must reinvent themselves by developing high quality shows with human performers: To what extent, if at all, do you agree or disagree with the following statements about the future of circuses?

Note: Wild animals often used in circuses include elephants, lions, tigers, hippos, monkeys, zebras, giraffes, bears, parrots and reptiles.

BASE: All respondents
