## Daily Telegraph Harry & Meghan Poll

**Q1\_5. The Royal Family would be better with Harry and Meghan in it: On Friday (19th February), Prince Harry & Meghan Markle announced that they will not return as working members of the Royal Family. Honorary military appointments and royal patronages, such as Harry's role as captain general of the Royal Marines and Meghan's as royal patron of the National Theatre, will end. They initially stepped back as working members of the Royal Family last year, with a 12-month review on their decision. To what extent do you agree or disagree with each of the following statements?**
